

Classroom Rules & Expectations: Room 18

During the course of our first few days of school the students of Room 18 have discussed a variety of rules that we feel should be followed to maintain the proper “order” necessary for successful learning. We have decided on the following two rules which cover just about everything:

1. Be Kind! ☺
2. Always do your best work! ☺

I prefer to be positive with the class so students who follow the rules will be rewarded with:

1. Verbal Praise
2. Smiles, Compliments, High-fives, SKORR Cards
3. Chance to “Buy” Privileges with tickets I give out: some options are to take your shoes off in class, write with a fancy pen, bring a stuffed animal to school, sit on a yoga ball, and eat lunch with me and a friend.
4. Class Points: Once 100 points have been earned they are entitled to a “class party”. This consists of having lunch with me in the classroom while watching a movie of their choice (within reason) or playing games.

Meadows also has a set of expectations which are as follows:

Safe

Kind

On task

Responsible

Respectful

Hopefully your child will remember how to “SKORR” from last year. If not, I’m sure he/she will know how soon!

Please discuss these rules and expectations with your child. [Here’s to a great year with lots of positive praise, high-fives, smiles, chances to “buy” privileges, and wonderful behavior!](#)

Thank you,

Karla Yates
